## About NJCS:

New Jerusalem Christian School (NJCS) started as a vision of our pastor, Dwayne K. Pickett, Sr. Pastor Pickett's vision was to provide a Christian environment in which children could flourish.

NJCS started with an After School program in August 1998. By the end of that year, we extended our program to include our infants and toddlers, thus creating NJCS Preschool. Our goal remained the same to provide a quality Christian education in a nurturing environment. One year later God blessed this ministry to add NJCS Academy. Today our school serves children from infants through 5th grade. We continue to help parents fulfill their biblical duty of educating and training their children in accordance to God's will.

We use a combination of A Beka and NJCS curriculums. We also offer a host of extra curricular activities such as Computer, Art, Music, Library, Physical Education, Sports and more. New Jerusalem Christian School is committed to making a difference in the lives of our students, through the demonstration of Christian values, quality teaching and competitive academic programs.

### Welcome to Our Christian School

We the NJCS Staff, welcome you to the New Jerusalem Christian School. Our mission, philosophy, and goal cannot be fully accomplished without the help of our parents. We would like to thank you for the faith and trust you have placed in us to serve you and your children. We understand that a child is one of God's greatest gifts, and we will treat each child as such.

## Our School:

### Mission

The Mission of New Jerusalem Christian School (NJCS) is to love, educate, and minister to the needs of the whole child--academically, spiritually, and socially--with Jesus as our guide.

### Philosophy

Our God is the master and giver of all knowledge. Therefore, God gives every child the ability to learn. Through Him all children can learn with proper instruction and guidance. It is both our ministry and duty to provide the children we serve with the learning experiences that will allow them to maximize their learning capacity.

### Goal

The goal of New Jerusalem Christian School is to meet students at their academic and spiritual levels and address each of their learning styles in order that they may progress at or above grade level. This goal will be met by (1) promoting high academic standards; (2) both upholding and promoting Christian attitudes, behaviors, and values; (3) providing a safe school environment conducive for learning; (4) encouraging parental involvement; and (5) supporting and strengthening the family unit.

### Motto

A School...Walking in Academic & Spiritual Excellence

# New Jerusalem Christian School

Train a child in the way he would go, and when he is old he will not turn from it. - Proverb 22:6 NIV
